| 1. O give answer maiden fairest. | 10. O how sweet, when fond eyes beam love and trust abiding. |
| 2. O'er the rocks the tide beats high. | 11. No, there is no bearing with these spiteful neighbors. |
| 3. Darkeyed maiden. | 12. Locksmith bring me padlocks. |
| 4. Like the sunset's crimson splendor | 13. Bird in air will stray afar. |
| 5. Thou tender trailing ivy. | 14. Bright thy sheen, oh lucent wave. |
| 6. If that a pretty tiny bird I were. | 15. Nightingale, they sweetest song. |
| 7. How sweet how joyous dawned each morrow. | 16. Ah, love is a mine. |
| 8. When thy glance is fond and kind. | 17. Nay tarry, sweetheart. |
| 9. A rosy maid looks from lattice high. | 18. A tremor's in the branches. |
