Morningside Honor Roll

The complete roster of all Morningsiders in the service as the names are recorded in the file in the Alumni Office is published in this issue. Many changes of address and rank are reported to us each week so that it is impossible to present an absolutely up-to-date list. We realize that there are omissions and mistakes on this Roll as well as some addresses and promotions which we do not know. We urge you to send in to the Alumni Office any information concerning the men and women listed or the names of any other Morningsiders you may know who are in service.

At the present time there are 942 Morningsiders serving in the Armed Forces. Twenty-six Morningsiders have given their lives for our country, ten are missing in action and ten are prisoners of war.

A—Army; N—Navy; M—Marines; CG—Coast Guard; MM—Merchant Marine.
