Dear Morningside Alumni and Friends:

This is a big year at Morningside, and as your President I cordially invite you to return to the campus and participate in this, our SIXTIETH Commencement Week.

We especially invite you to visit the campus and personally see the many new buildings and improvements. We are all proud of the Jones Science Hall, Allee Gymnasium, the O'Donoghue Observatory, and new since last commencement, the Klinger Forum and the Men's Dormitory. You won't recognize the old chapel now that it has been completely remodeled for the drama department and student assemblies.

Alumni Day, Saturday, May 29th, is for you. Come and enjoy the fellowship of your reunion class luncheon. At the Alumni Banquet at Dimmitt Hall, you will be able to participate in a special event honoring Professor and Mrs. Paul MacCollin who are retiring this year.

One of the highlights for all Alumni, and particularly former members of the Choir and Glee Clubs, will be the reunion choir concert at Grace Church, Sunday evening, May 30th. This is for "Mr. Mac" so won't you please plan to be here.

Hoping to see you Alumni Day

Sincerely,

EDGAR W. McCracken '38

Former Singers Returning

For Choir Reunion Concert

The Choir Reunion Concert honoring Professor MacCollin will be held on Baccalaureate Sunday, May 30, at 8 p. m. in Grace Methodist Church. Rehearsal for the concert will be conducted at 3 p. m. in the church.

Two groups of songs will be presented by the combined Reunion Chorus, many of the numbers having been requested by former choir members. The first group contains the Crucifixus by Antonio Lotti; Lullaby on Christmas Eve—a solo by Mrs. MacCollin, and When God Paints the Sunset by Christ-

iansen. Wake, Awake, and two numbers from the Messiah compose the second group. The 1954 College Choir will present songs from the Album of Morningside College Choir Recordings.

There has been a fine response from former choir members to the mailing sent out about the concert and many are returning from a distance in order to sing again under the leadership of Professor MacCollin. The committee regrets that the mailing list was incomplete, and together with Professor MacCollin they hope that anyone who ever sang in the College Choir, the Vesper Choir, the Men's Glee Club, the Girls Madrigal Club will consider this their invitation to come back to Morningside and sing in the Reunion Choir Concert.

ATD'S TO GO NATIONAL

Alpha Tau Delta fraternity recently became the first fraternity on the Morningside campus to be accepted for membership in the worlds third largest national fraternity, Sigma Phi Epsilon. Installation day is Saturday, May 22, and will take place on the third floor of the Main Hall. The banquet will be at 7:30 in the evening.

Keith Johnson, past president and general chairman, and president Chuck Rush comprise the executive staff in formulating the steps toward nationalization. The movement began in November of 1953 when Dick Pahre, field representative of Sigma Phi Epsilon, visited the campus. Shortly after the active members with the approval of the Alpha Tau Delta Alumni Association, headed by Dr. Edward Sibley, voted unanimously to petition Sigma Phi Epsilon Fraternity.

All alumni members of Alpha Tau Delta are urged to join the movement, and should contact Chuck Rush or Dr. Sibley. Members of the Alumni Association will be contacted by mail. Initiation fee is \$35.

Alpha Tau Delta is the oldest social organization on the campus, with its beginning dating back to 1891 known then as the Othonian Literary Society. In 1924 all literary societies were changed to social fraternities and they became known as Alpha Tau Delta. Alpha Tau Delta has the largest membership on the campus with 47 actives, and is backed by tradition.

Sigma Phi Epsilon was founded in 1901 at Richmond, Virginia, where its national headquarters are today. With the installation of Alpha Tau Delta they will have 131 active chapters, 106 alumni associations, a total membership of 44,000 and 5,400 present day undergraduates.

Grand Vice President, J. Russell Pratt, will act as installing officer. Installation teams will come from Iowa State, Drake, Nebraska U., and Omaha. Other visiting chapters in the district will be from Iowa University, and Iowa Wesleyan, at Mt. Pleasant.
