NUMBER FOUR

A Letter from the President

Dear Morningsiders:

1954 is Morningside's Diamond Jubilee 60th year Anniversary. In addition to 60th year emphases upon the special occasion, as noted below, we are seeking a \$60,000 gift from at least one thousand Morningsiders giving \$60 each.

The Jubilee Scroll of names of these gifts will be printed in the January 1955 Morningsider and the beautiful scroll containing all the names will be presented officially to the college at Commencement 1955.

The fund will be divided between scholarships, endowment and special needs. Sixty dollars for one year may be paid in one check, in four quarterly payments of fifteen dollars each or in monthly payments of five dollars per month. A wonderful gift of \$60,000 can be presented to Alma Mater by many gifts if each one joins in good will toward the future and with gratitude for the past.

Reunion Choir Concert To Honor Professor MacCollin

All former Morningside students who were ever members of either the Chapel or Vesper Choirs will have one more opportunity to sing for "Mac" at a reunion concert to be given on Baccalaureate Sunday, May 30th.

Prof Paul MacCollin

Professor MacCollin will retire as head of the Conservatory of Music at the conclusion of the 1954 school term. As a tribute to both Mr. and Mrs. "Mac" in recognition of the many years they have given to Morningside College, and as part of the 60th Anniversary program, all former choir students are especially invited to return to the campus the week end of May 29th. The Reunion Concert is scheduled for Sunday evening, May 30th. There will be a rehearsal on the afternoon of that day.

A committee composed of George Iseminger, Vera Hatfield Gerkin, Paul Snyder, Jack Halloran, Harold Decker, Bernice Larson Thompson, Don Kelsey, Grace Taylor Olsen and Garry Wallman is in charge of arrangements.

Won't you drop a card to the Alumni office saying that you will be here? A copy of the program and music will be sent you.

Students Plan Trip For Miss Murray

In appreciation of Miss Ethel Murray, professor of history, for her teaching, her friendliness and her helpfulness through the years, the students of Morningside are making plans to send her to Europe this summer with Dr. and Mrs. Roadman's tour group.

This unique tribute was originated by a group of under-graduates who have appointed a committee to be in charge of plans for financing the trip. General chairman of the committee is Ken Zeising of Sioux City, Marilyn Goodwin Knudson is secretary-treasurer. Chairmen of the various groups for donations are Miles and Gayle Harrison Patton of Sioux City, student donations; Verlin Heuton of Jefferson, Iowa, alumni and Bob Beck of Sioux City and Joyce Ford of Spirit Lake, organizations.

County Choir At College

On March 2 the campus resounded with music as 750 high school pupils from Woodbury County high schools gathered for their annual choir festival.

In the morning each school presented two small groups of soloists on Klinger Forum. The groups were not rated but were judged and offered criticisms.

Rehearsal for the evening concert was held at Allee Gymnasium during the afternoon. The concert of the massed chorus was given at Allee at 7:30 p. m. with V. A. Gunn, dean of Ellsworth College, Iowa Falls, directing.

Meals were served the visitors in Lillian E. Dimmitt Hall and the student union in the men's dormitory.

Mrs. Roosevelt

Mrs. Eleanor Roosevelt will speak on the subject "Is America Facing World Leadership?" when she comes to the campus.

Her appearance is being sponsored by the Student Council of the college. The event will be held in Allee gymnasium at 8 p. m. of April 7th.

Macbeth To Be Presented

One of the highlights of Morningside's 60th Anniversary celebration will be the Speech Department's presentation of Shakespeare's great tragedy, *Macbeth*. The production under the direction of Frederic W. Hile is scheduled for April 1, 2, and 3 at 8:15 p. m. in Klinger Forum.

Unusual features of the production include the three famous witches appearing as three young attractive women, indicating that oldness is not necessarily evil. Only hideous fingernails and blood-dripping mouths will betray their wicked nature. Another symbolic feature is the use of color on the stage. The lower third of the stage will be bright red for evil. The eye level section will be magenta, representing the struggle between good and evil. The upper portion of the stage will be bright blue, symbolizing the good forces. The cast also will be dressed in these respective colors so that the audience can easily distinguish the good and the bad characters, and be able to evaluate the relative goodness and badness by both the color of the costume and position on the stage at a given moment.

All Alumni are cordially invited to attend this unique contribution of the speech department to the 60th Anniversary celebration. Tickets will be on sale after March 15 in Younker's Book Department and the college business office.

Gym Pool Popular Place

Miss Mary Bowne, director of physical education for women, announces that synchronized swimming practice has been added to the busy schedule of swimming activities in the Allee gymnasium pool. One group of interested swimmers is already busy learning and perfecting synchronized swimming stunts and trying formation swimming, looking forward to putting on a swimming show this spring. Other special practice periods will be scheduled during March and April.

Participants in the show which is being planned will include selected swimmers from the various swimming classes as well as those swimmers who are practicing during special periods outside of regular classes.

This semester seventy college students are enrolled in the beginning and intermediate swimming classes and in the water

safety instructors course. Forty boys and girls are taking advantage of classes offered in the pool four afternoons a week from 4 to 5 p. m. These children's classes are taught by college students who are qualified Red Cross swimmers and water safety instructors. Many of the instructors have received their training in college water safety courses and then go on to help others learn to swim. The pool is also used by East High School four afternoons a week for instruction for boys and girls in physical education classes.

Public plunges which are offered on Tuesday evenings from 7 to 8 p. m. for children and from 8 to 9 p. m. for adults in the community are very popular. Thursday evening the pool is open for an all-college plunge from 7 to 8 p. m. and for synchronized swimming practice at 8 o'clock. Other nights the pool is used by youth groups from churches, from scout troops and from the 4-H organizations.

Youth groups at LeMars are among the most enthusiastic out-of-town swimmers that take advantage of scheduling private plunges in the pool. Hardly a week passes without at least one LeMars youth group scheduling a plunge. Groups from Moville, Sergeant Bluff and Anthon also come regularly for swimming periods in the college pool.
