Under the Sea

Homecoming by Stacey Jones

'Extravaganza' was one of the words used to describe Homecoming 1992 and an extravaganza it was - an "Under the Sea Extravaganza!"

The entire celebration began Sunday evening in Buckingham's with an Ice Cream Kick Off Bash. Monday brought Spirit Day, the time for the whole school to show off their spirit by wearing their favorite Morningside apparel. Monday night, students gathered in the Dimmitt informal lounge for Movie Night in front of the big screen. Those wacky and wild co-directors, Jennifer Groetken and Mary Jo Bootsma had planned the Crazy Olympics for Tuesday in the Hindman-Hobbs Center and on Wednesday, the Commons helped to celebrate as they presented a Carnival Dinner, complete with cotton candy. The new Mr. Morningside, Layne Henn was crowned later that evening in one of the college's hottest Mr. Morningside contests. Groups of students gathered together on Thursday afternoon to participate in a scavenger hunt to find such items as a hockey puck and a king-size candy bar.

Homecoming 1992 *really* started rolling on Friday with the Cheer Squad's Pep Rally on the Roadman lawn. Several individuals and groups displayed their talents and a couple of crack-up master-of-ceremonies (Shane A. Thelen, Bret Taber & Krista Calvano) kept the show running smoothly at Friday nights talent show. Immediately following the show, the crowd cheered as Ray Cooling, 1992 Homecoming King, offered his arms to his co-queens, Kathy King and Jennifer Strahm.

Homecoming day finally arrived and the afternoon was beautiful for the parade and football game against South Dakota State University. After the game, students dressed in their best and headed "Under the Sea" as the week culminated with the Homecoming Dance at the Oasis.

Chiefs Sink Rabbits: 6-2 by Shane A. Thelen

Chris Hogzett kicked two field goals (from 18 and 34 yards) to keep the Chiefs out in front of the SDSU Jackrabbits, 6-2, to win Morningside's Homecoming, at a muddy Roberts Stadium.

Sloppy field conditions kept both offenses from dominating. There were eight turnovers total, including five fumbles, in the game. As a check to the weather, Head Coach David Dolch pulled out the trick play, and on a punting down, Pat Joyce, the starting left cornerback and a former high school quarterback, was inserted at punter. He threw a 32-yard pass to Mario Myrick for the first

down and three plays later Hogzett chipped in his first field goal.

Kelly Yancy collected his fifth 100-yard rushing game as a Chief and outrushed everyone else in the game combined. Eric Carlson had a big day on defense, charting eight tackles, six solo, and Pre-season All-American, Anthony Fieldings lead the team with 14 tackles. Rich Doty contributed five tackles, an interception, and recovered a fumble.

Although the game wasn't explosive, it provided a Homecoming victory for the Chiefs, who maintained a .500 record for most of the season.

Another Risqué Year

No Guts -- No Glory

The Morningside men's and women's track teams once again performed well during the indoor season. In head coach Rick Clarahan's fifth year at the helm, both teams fared well at the North Central Conference meet and sent athletes to the NCAA Division II national meet at USD.

At the conference meet in Fargo, North Dakota, both teams had some outstanding individual performances.

On the men's side two runners captured third place finishes. Brad Bartlett raced to a third in the 500 meter dash, and Bret Taber paced himself to the same place in the 5000 meter run.

The women saw two of their numbers place the highest in school history. Shot putter Julie VanOtterloo finished second in that event. The highest placing ever for a Morningside woman in a field event. Half-mile standout Gina DeWitt captured first in the 800 meter run. It was the first time an M'side woman thinclad had ever been crowned conference champion. The teams also fared well nationally. Chad Nedved, Chris Newton, Kent Lundquist, Troy Williams, Bartlett, and DeWitt all qualified for the Indoor Championships. Two others, Taber and VanOtterloo, qualified provisionally, but did not make this year's cut.

Nedved, last year's national runner-up, ran well at the meet. However, his time did not qualify for the finals.

The men's 4 X 400 meter relay team of Newton, Lundquist, Williams, and Bartlett finished sixth in the race. The sixth place finish garnered All-American status for all four men.

DeWitt's 800 meter run was the highlight of the Morningside indoor track season. After qualifying for the finals on Friday, DeWitt came back on Saturday to win it all. She managed to race by the leader with 100 meters left and become the first national track champion and female track All-American in Morningside history.

Where Dan Quayle (above) was considered by many to be a bumbling idiot, with such antics as attacking Candice Bergen's Murphy Brown character in a heated feud on family values and misspelling potato(e), his predecessor, Al Gore, is a noted environmentalist whose reforms in regard to that could very well save the earth, if given congressional support.

While superstars such as Vanessa Williams (right) charmed America with her smile and her love songs and Kris Kross (below) entertained America with their unique approach to wearing seemingly normal clothes...

...Rappers such as Ice-T (right), while producing many unique and innovative songs, occasionally offended the majority of American adults with such songs as "Cop Killer."

Axl Rose (left) was arrested again. Need we say more?

En Vogue (below) mystified audiences with their four part harmony, while making statements of equality and equity for all people with songs such as "Free Your Mind" which was featured at the 1992 Summer Olympics in Barcelona, Spain.

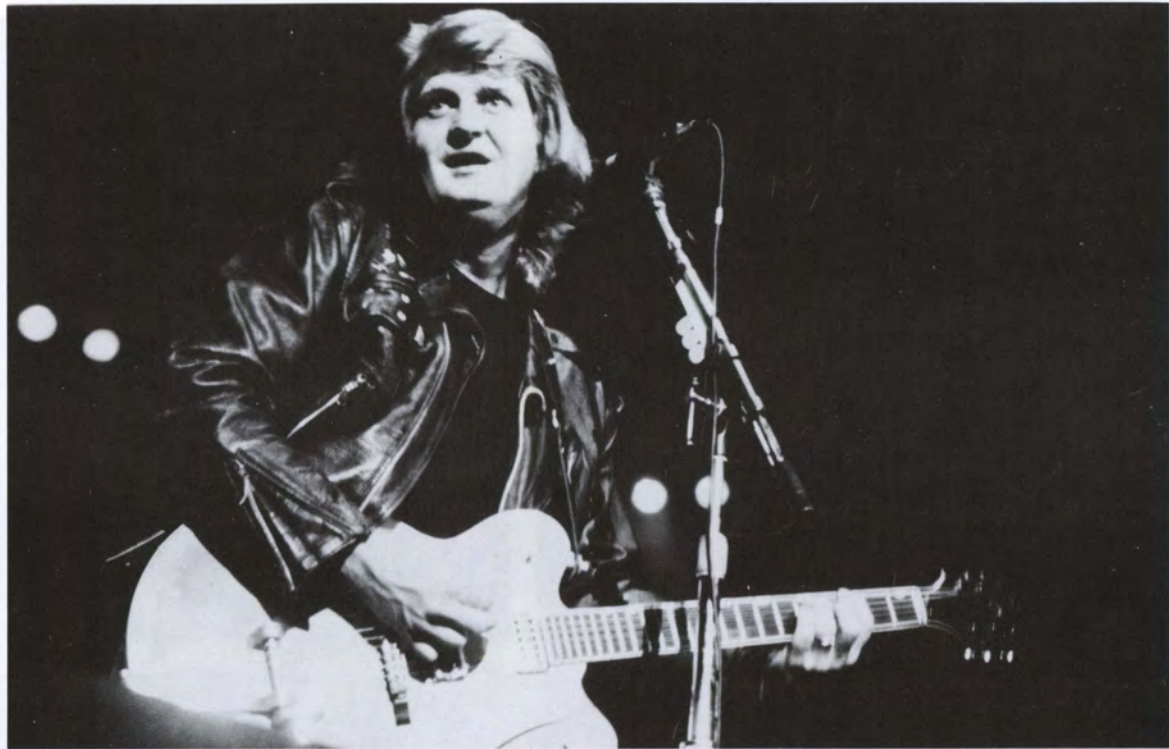

Mariah Carey (left) vies for a spot as top female vocalist of all time. It seems that every song she releases is a Top 10 hit.

MORNINGSIDE GETS NEW PRESIDENT

Dr. Jerry Israel, Vice President and Academic Dean of Simpson College in Indianola, Iowa for the past four year, has been appointed President of Morningside College. The announcement was made by Roland Junck, Chair of the Morningside College Board of Directors, during a campus news conference on Tuesday, October 20, 1992.

Israel's appointment as the 11th President of Morningside College was given unanimous approval by the college's Board of Directors at their bi-annual meeting held on campus October 19 and 20. Dr. Israel will assume his duties in the spring.

Dr. Israel's appointment concludes an exhaustive nationwide search for a successor to Dr. Miles Tommeraasen, who will retire in August, 1993, following 15 years as the president of the college. President Tommeraasen and Dr. Israel will work together for a period of time to ensure an orderly transition.

After receiving a B.A. degree from New York University, Dr. Israel earned his Master of Arts Degree from the University of Michigan and was awarded a Ph.D. from Rutgers University. All three degrees are in history. He is also a graduate of Harvard University's Institute for Educational Management.

Putting students first is exemplified by his dedication to classroom instruction and his thorough knowledge of his academic specialty, American History. Dr. Israel was a Visiting Professor at the University of Pittsburgh (1968-70) and Associate Professor at Northern Illinois

University (1970-74). While at Northern Illinois University, Dr. Israel served as an advisor to the Dean of the College of Continuing Education. At Illinois Wesleyan University, he was Chair of the History Department (1974-79), Director of the Social Science Division (1977-80), Associate Dean of the University (1981-88). (Dr. Israel also taught courses at the Illinois Correctional Facility in Statesville and Pontiac from 1971 to 1982.)

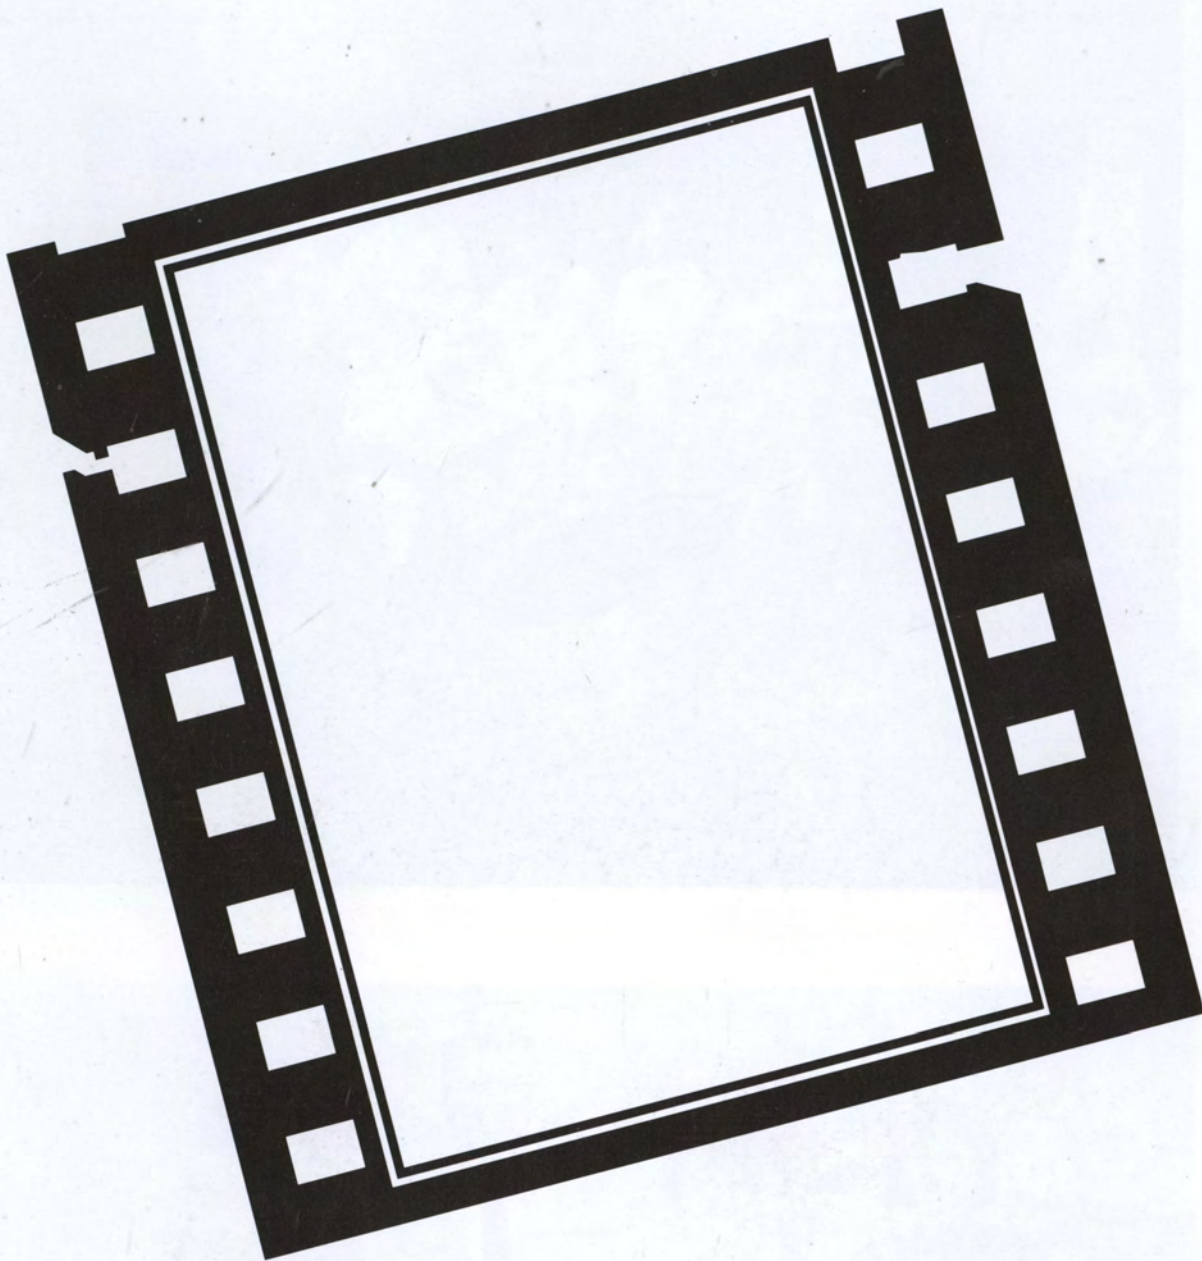

In 1988, Dr. Israel took to Simpson College his commitment to students when he accepted the position of Vice President and Academic Dean. Due to his love for the classroom, he continued teaching American and Asian History on a limited basis. According to Chris Dixon, student representative to the Presidential Search Committee, this was one of many factors that lead him to believe that Dr. Israel was the "right choice" for Morningside College. "Dr. Israel's love for teaching and his desire to maintain contact with students in and out of the classroom made the differences. I was particularly impressed that he takes time to eat in the cafeteria and visit with students in their dorm rooms."

Dr. Israel is the author or editor of a number of scholarly and professional books and articles, including two books on America's relationship with China and a book on the role of associations in modern America. His articles have appeared in *American Historical Review*, *Pacific Historical Review* and many other scholarly publications throughout the country.

In addition to his academic accomplishments, Dr. Israel has been very active in church and community affairs in various cities. His wife Carol is currently Assistant Superintendent of Southeast Polk Community School District. She holds a Ph.D. in Educational Administration from Illinois State University.

The Presidential Search Committee was comprised of faculty, students, alumni, administration and members of the Board of Directors. It was formed last year following Dr. Tommeraasen's announcement that he planned to retire. During the course of its work, the committee received more than one hundred and fifty (150) inquiries from prospective candidates.

Well, it has finally arrived. Your 1993 Sioux. If I could begin to explain all the obstacles, hassles, mishaps, errors and generally debilitating events that went into the production of this year's Sioux, I would. But I were to begin, I would be here until the better part of 1995. So, suffice it to say that Murphy's Law was in full force throughout the production of this book.

I'd like to thank all the people that gave me a hand when circumstances deemed that I would finish this thing by myself. I'd especially like to thank Diane Wheeler, Angel Billings, Shane A. Thelen, Bret Taber, Gene Ambrosion, Janet Lee and the general understanding of the American people as I reformed the Soviet Union. Wait, that wasn't me. Oh well. At times it seemed that that was my task.

SIGH!

(of relief)

With that, I'll leave you. Hope you enjoy the book... and kids, don't try this at home.
