# *The End of the Beginning*

## **Students Face Good and Bad Times**

Four score and nineteen years ago, our forefathers brought forth on this city a new college. Who would have known at that time that ninety-nine years later Morningside College would be where it is today.

Over the years, our college community has grown mentally as well as spiritually. This year has been a particularly monumental year. It marks the end of Morningside's first century as a college.

Many things happened this year that made it stand out from previous years. We inaugurated our eleventh President of the college and his first year was successful. One of Dr. Jerry Israel's first jobs as President was appointing a new Academic Dean. His choice of Bari Watkins couldn't have been a better one.

This year was not all successful, though. The athletic department was put on probation for three years for various NCAA infractions. Because of this, the football program had to forfeit fifteen football games, reduce scholarships, reduce official visits by prospective players, and were eliminated from post season play for the three years. Dr. Israel's presence gave us the strength and ambition to make it through these tough times and endure.

This year's Sioux production was also a landmark event. All of the layout was done by a new company on campus, the Agency. It was founded by the graphics design department and headed by Dave West. The staff this year was a relatively young one, consisting of mostly freshmen, including the editor.

In the years to come, this year will stand out above others because you, the students and staff, chose to go against the odds and made it great.

# Our President

Bill Clinton became the 42nd president of the United States in 1993. The former governor from Arkansas struggled through his first few months in the White House, suffering a defeat for a jobs bill and delays in his health care reform efforts. But by September, the 47-year-old president was a seasoned veteran. His tax reform bill passed, the health care package was being fine-tuned and there was peace in the Mid-East.

On Monday, January 17, forty seconds of terror shook Los Angeles residents and their pocketbooks with \$30 billion in damages.

# 1993 FLOODS

Floods hit the Midwest in late spring and early summer; thousands of farms and homes were lost, fields were swamped and towns submerged. The states that got hit the hardest were Iowa, Illinois and Missouri, causing billions of dollars worth of damage.

# *The Presidential Innaguration and all college symposium*

Dr. Jerry Israel was inaugurated Friday October 29, 1993 in Eppley Auditorium as the 11th president of Morningside College. The ceremony began with a processional of presidents of student honor societies, delegates from other colleges and universities, representatives of learned societies and associations, the college board of directors, retired faculty and administration and the presidential party.

Members of the presidential party, which included dignitaries such as Bishop Charles Wesley Jordan, of the United Methodist Church, and U.S. Representative Fred Grandy, gave words of welcome and best wishes as Israel began his endeavors.

Israel's inaugural address was entitled "It was still not perfect, but it was better." He began by introducing and thanking his family for their support and help. "Today's events would be hollow, indeed, without the presence, support and love of these folks and others." He then went on to frame his sense of Morningside's place and purpose. "Though it was and is just the beginning, I could see plainly that when its all over, on the last day, the words I could hope to hear would be, 'it was still not perfect, but it was better.'"

Israel also stated he was excited about the arrival of Dr. Bari Watkins. "I vow to use my personal strength and the power of my office,

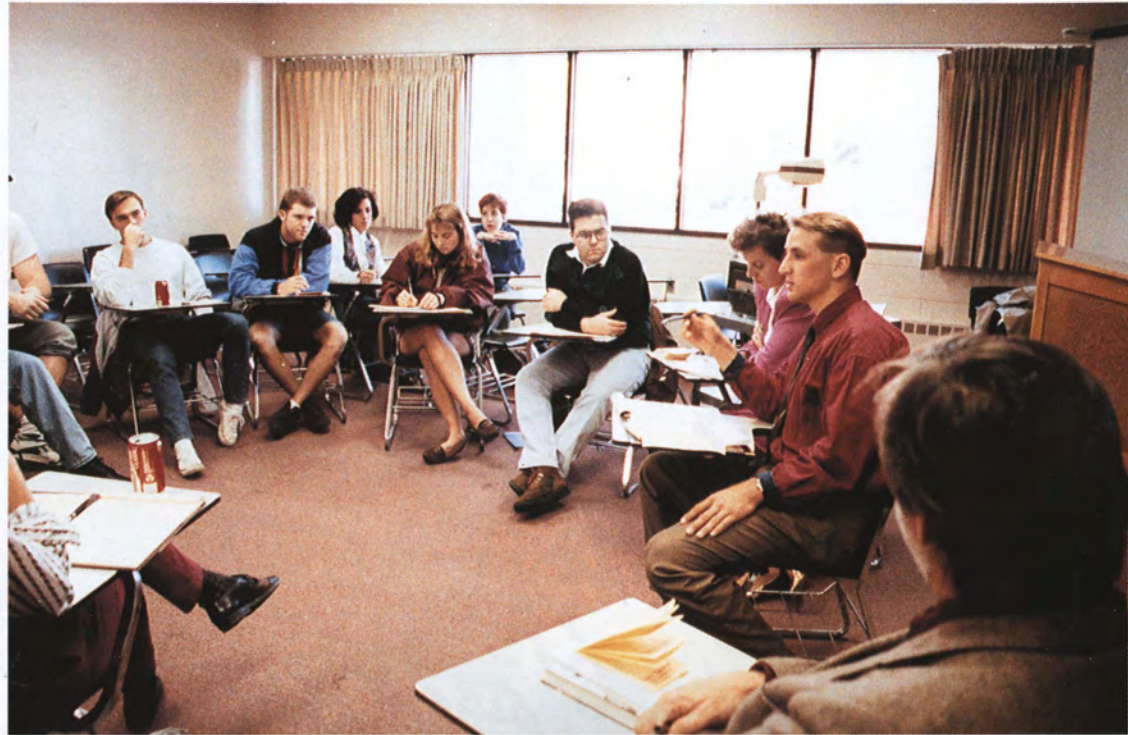

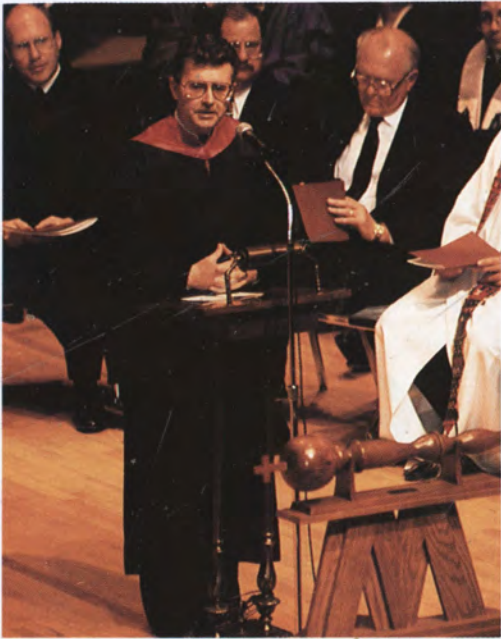

as I know does Dr. Watkins, to provide a place wherein all those who work here have the best possible environment to realize their potential in the service of students."

Opinions from the college community after the inaugural ceremony were positive: "It was greater than I thought it would be. I was really moved by the dreams he had," said Hilary Johnson, Student Body President.

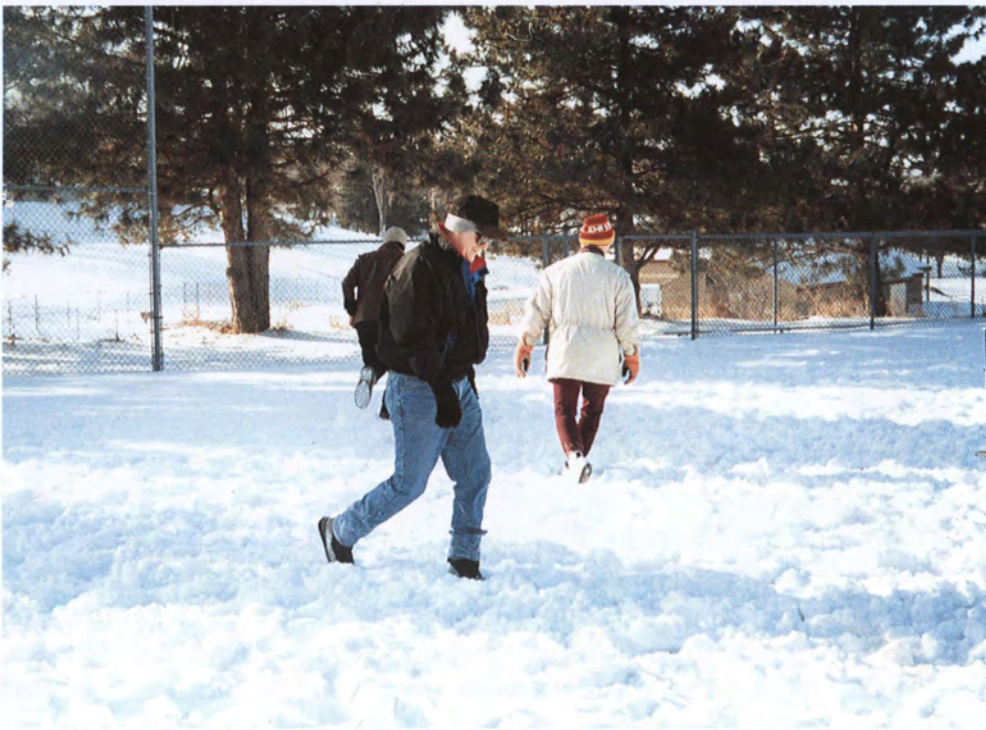

"I thought it was wonderful. I was glad to see so many students, faculty and dignitary. The address will give the college some direction," said Terri Curry, Dean of Students.

The inaugural ceremony was preceded by a banquet for the special guests and followed by a reception which was open to everyone.

# Homecoming, Mickey Style

Events like Mickey's World of Water Sports, the Beauty and the Beast Pie Throw, and the Great Mouse Detective Hunt could only mean one thing: Homecoming at Morningside! And this year it was Disney Style! Thanks to some wonderful planning by homecoming co-chairs Joyce Dimig and Shannon Hayes the week was full of fun and funny activities. The week started with an Ice Cream Bash in Buckingham's. Other events included the Mr. Morningside contest, Carnival Night and a pep rally, which took place in the Main Dining Room due to cold weather. As Friday, the day of coronation, approached, King and Queen voting took place in the Commons. Friday night, Morningsiders were entertained by many acts at the Talent Show, personally emceed by Mickey and Minnie Mouse, and watched as Jeff Thelander and Jodie Dorsey were crowned Homecoming King and Queen to reign over Saturday's activities. The parade spectators had a pleasant afternoon to enjoy as they watched dozens of floats and cars pass by. Later that afternoon, fans had a chance to socialize at a Tailgate Party before the kickoff of the Big Game at 7 p.m. against UNO. After the game, the week culminated in a dance held at the Sioux City Convention Center. After a week full of activities, it seems Morningside, Disney Style, was a big hit.

The Toronto Blue Jays won the 1993 World Series. Joe Carter became the second player to end a World Series with a homerun, hitting a three-run shot off Mitch Williams in the ninth inning of Game Six that gave the Blue Jays their second straight championship with an 8-6 victory over the Philadelphia Phillies. Toronto became the first repeat World Series champions since the 1978 New York Yankees.

The Dallas Cowboys became only the fifth team to repeat as Super Bowl Champions with a 30-13 victory over the Buffalo Bills in Super Bowl XXVIII at the Georgia Dome in Atlanta. The loss extended the Bills' record to four straight Super Bowl losses. Emmitt Smith of the Cowboys won the MVP.

# Colophon

The 1994 Morningside College Sioux yearbook was printed by Herff Jones Yearbooks, Inc. at its Marceline, Missouri plant. The press run was 250.

Copy and layouts were created on Macintosh computers using Aldus PageMaker® v 5.1 with Herff Jones PageMaster yearbook template and submitted on disk. Disk output was on APS-6 photo composition equipment. Black and White photo halftones were created using a 133-line screen. Full color photos were laser separated.

Copy and captions were written by the staff. Most candid and group photos were taken by the staff; some were provided by Morningside's Public Affairs Office and Athletic Department. Portrait photos were taken by Mark Franken. Layout design was created by Lorinda Clayton

of The Agency, a group formed by Professor Dave West of the Fine Arts Department.

Body copy and captions are in Futura Light, Most headlines are Futura Heavy Oblique. Folios are in Columbo. The book is printed on triple-coated enamel stock.

The cover was designed by members of The Agency using Aldus Freehand®. The cover was produced using a lithographic process with black {PMS 940} and maroon (PMS 194) inks on white Permacote.

Inquiries may be directed to Diane Wheeler, Morningside College Commons Building, Box 540, Sioux City, IA 51106.

# And So it Goes

I hope you enjoyed this year's edition of the Sioux. A lot of hard work and effort went into this book. I would like to thank my staff for the work that they did. I would like to thank Kathy Saad and Public Affairs for the pictures that they supplied and Brian Clarke and others who supplied stories. A special thank you goes to The Agency and Laurinda Clayton for doing most of the layouts.

I apologize for not having the book done sooner. Due to a late start and a very small staff we were unable to make the final deadline on time. I would also like to apologize to those students and staff whose pictures were taken and did not appear in the book. I apologize for any misspelled names or any other sort of error.

Editor in Chief  
Tom Schutz
